

**As a financial professional investing with personal or investor capital, I vow to uphold these values.** If determined by myself or a panel of my peers that I have violated these values without reconciliation agreed between all involved parties, then I will voluntarily leave the industry.

**Integrity:** I vow to invest with integrity, ensuring my actions benefit humanity and consciously avoid harm to any parties.

**Excellence:** I commit to maintaining the highest professional standards, setting an exemplary ethical benchmark in finance.

**Fairness:** I endeavor to be fair in my dealings, standing against abuse of power, unfair advantage, seduction, corruption, or mistreatment.

**Equality:** I pledge to promote inclusivity and equitable treatment in all financial endeavors, consciously working to reduce inequality.

**Respect:** I promise to treat individuals and opportunities with the respect and the attention deserved in business interactions.

**Transparency:** I affirm to be transparent and honest in dealings with investors, founders, and colleagues.

**Confidentiality:** I swear to safeguard private, confidential, or personal information, keeping it safe from public or other unwanted disclosure.

**Growth:** I am resolved to embrace feedback from clients and peers, committing to ongoing personal and professional growth.
